

Preschool Play Sheet

We all know preschoolers can't participate in "Sermon Notes", but you can still keep them engaged. This page has 3 symbols for your preschooler to use:

1. HEART - Ask your preschooler: "What do you love about church today?" and have them doodle it during the message.
2. EAR - Ask your preschooler: "What do you hear during church today?" and have them doodle it during the message.
3. EYES - Ask your preschooler: "What did you see at church today?" and have them doodle it during the message.

They can also use stickers, playdough or blocks!
